5 Litre

birko

This top quality electric urn has a fresh new design but is still a proven performer all around the world because it is safe, reliable and long-lasting.

Benefits

Great value & low maintenance

polished stainless steel body with vented, twist-to-lock lid. Welded joints for superior corrosion resistance and effortless cleaning

Temperature control

thermostat sensor lets you set and maintain the water temperature

Safety

Push button over temperature cutout turns off the power if the urn boils dry and non-drip tap prevents accidents and mess. Durable, easy-lift safety handles. Cool to touch.

All you need

power indicator light, heat-resistant knobs, easy-lift safety handles and lockable lid

10, 20, 30 & 40 Litre

birko

Birko's high quality electric urns have a fresh new design but are still proven performers all around the world because they are safe, reliable and long lasting. There is a size to suit any need, and they all have an indicator light, water level gauge, heat resistant knobs, easy lift safety handles and a lockable lid.

Benefits

Top quality

Chrome plated brass tap body.

Durable & low maintenance

Polished stainless steel with welded joints for superior corrosion resistance and effortless cleaning.

Temperature control

Thermostat has variable settings, for greater control over the boiling water.

Safety

Cut-out switch turns off the power if the urn boils dry and non-drip tap prevents accidents and mess.

All you need

Indicator light, water level gauge, heat-resistant knobs and lifting handles.

COFFEE PERCOLATOR 20 LITRE

Simply add cold water and fresh coffee grounds and you're ready to serve deliciously brewed coffee on demand. Ideal for catering or fast food outlets.

Benefits

Quick & easy

Just add cold water and fresh coffee grounds to hold up to 100 cups of quality coffee.

Always perfect

The red switch indicator light shows whilst brewing is in progress.

A second indicator light shows when coffee is ready to serve so you can't go wrong.

Temperature controlled

Once brewed, the heat automatically reduces and maintains an ideal serving temperature.

Practical & stylish

Polished stainless steel with welded joints for durability, sleek look and easy cleaning.

Convenient

Easy-to-read level gauge, non-drip tap, heat-resistant knobs and handles.
