CATERING EQUIPMENT LTD

*Catering Equipment supplied with  
Integrity, Honesty and Knowledge*

**10, 20, 30 & 40 Litre**

## birko

Birko's high quality electric urns have a fresh new design but are still proven performers all around the world because they are safe, reliable and long lasting. There is a size to suit any need, and they all have an indicator light, water level gauge, heat resistant knobs, easy lift safety handles and a lockable lid.

### Benefits

**Top quality**

**Chrome plated brass tap body.**

**Durable & low maintenance**

**Polished stainless steel with welded joints for superior corrosion resistance and effortless cleaning.**

**Temperature control**

**Thermostat has variable settings, for greater control over the boiling water.**

**Safety**

**Cut-out switch turns off the power if the urn boils dry and non-drip tap prevents accidents and mess.**

**All you need**

**Indicator light, water level gauge, heat-resistant knobs and lifting handles.**
