

eikon® e1s

Expanding your opportunities.
High speed oven.

The new eikon® e1s Makes small business become great

In a world where time and space are an increasingly precious resource and the trend is towards more tangible quality and freshness, professional cooking equipment is migrating to the front to be in direct view of customers. **Merrychef** has responded to this demand by developing the new **eikon e1s** - a high speed oven combining superior functionality, maximum speed and consistently great performance, packaged in a compact unit with ground-breaking design.

Be it sandwiches, pastries, pizzas, vegetables, fish or meat – the new **eikon e1s** is the perfect way to cook, toast, grill, bake and regenerate a huge range of fresh or frozen foods. High speed operation and even browning enable you to cater for more customers per service with fresh, hot food. The result is greater customer satisfaction and a better return on investment.

The new **eikon e1s** enables you to open up new menu opportunities, rapidly providing exceptional dishes cooked to order. The small but powerful high speed oven adds value to all kitchen operations.

Merrychef eikon e1s – the versatile high speed oven that adapts to your evolving needs through menu expansion on a single platform, thereby future-proofing your business.

In our rapid industry, it's no small task to keep up with guests' tastes and stay ahead of the competition. But where others see only daunting challenges, we at **Merrychef** see ambitious and exciting ways to expand your opportunities.

Opportunities not just to streamline your business, but to bring genuine joy to your guests – today and tomorrow. With our unparalleled expertise and state-of-the-art technology, you can depend on us for our innovative thinking and product solutions that are as fresh as your ingredients.

That's how we're setting a new standard for speed of service, always raising the bar for high-quality guest experiences. In a world where change is the only constant, we're proud to build products with the versatility to match, infusing your kitchen and entire organisation with new and powerful opportunities.
