

OD1100N Open Deck Fridge

Model ID: OD1100N

The new OD1100N brings an update to the previous generation model, with unique ChillGuard™ technology, increased product visibility and natural refrigerant technology. There is plenty of space for brand exposure, with the illuminated sign, kick panel and side cladding all available. Plus, the 425 product capacity, high impact lighting and the glass sides for maximum viewing makes this ideal for impulse sale environments. High Sign and Low Sign options are available.

2 Year Warranty Protection

GEMS Compliant

SKOPE-connect™

Natural Refrigerant

ChillGuard™
