

PG400 3 Door Preparation Chiller 1/1 Prep

Our preparation chillers have been designed to blow chilled air over the pans, to ensure consistent temperatures are maintained. Easy-clean preparation areas and removable sliding night covers are additional food safety features. Can be supplied with varying pan numbers to suit your individual needs.

Features & Benefits:

Unique front breathing refrigeration system and electronics are easy to access and service. Ideal for use in high ambient temperatures. Shielded electronic controller with simple to use digital temperature display. Heated fascia to eliminate condensation.
